NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.
NOTE 2.—An enlistment binds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 3.—Amounts due the Soldier and Landwren must be entered on the Muster Roll on which the death, desertion, &c. is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, etc., etc., by the volunteer office. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, etc. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *1*, *2*, &c., &c.; describe particularly the disability, wound, or disease; the extent of which it deprives him of the use of any limb, faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his personal opinion of the cause or origin of the disability. In cases of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by order of the soldier, after a personal examination, and disability, the nature, degree, and origin of which are fully described in the within certificate."

1860 Regulations, Edit. 1861.
Medical officers, in giving certificates of disability, are to state the particular case in all cases that have not been under the charge; and especially in epilepsy, convulsions, rheumatism, derangement of the urinary organs, cholera, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

The certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will sign and sign the surgeon's certificate, and forward three copies to the regimental, detachment, or post commander, who will forward one, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer having the authority to discharge enlisted men may be specially ordered.

The certificate, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the certificate on this paper; so that the soldier is furnished with proper final statements in duplicate, and forward BOTH of these direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given to the hands of the soldier.

The discharge is to be given back to the Soldier by the Paymaster, the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact, and also to the time he has pay for having been so mounted on his own horse.

NOTE 3.—Amounts due the Soldier and Laurence must be entered on the Muster Roll on which the death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

John P. Jones
E 26 Reg't of Missouri Inf'y

VOLUNTEERS.

Disch. July 11 1862 62

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowance that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for both pay, &c., are sent by the Adjutant of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipment, and other miscellaneous charges, should appear under the heading of "Other Receipts."

NOTE 5.—Money paid by State, &c., and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier by the United States must be entered on the master roll on which the discharge, &c., is reported, as well as on the final statement, &c., as the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability; and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended, as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c. &c.

NOTE 3.

When a probable case of disability, special care must be taken to state the degree of disability—as § 1, An., § 1; to describe particularly the disability, wound or disease the extent to which it deprives him of the use of any limb or faculty, or affects the health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add from his knowledge of the facts and circumstances, and from the certificate in the case, his professional opinion of the character and degree of the disability. In the case of discharged by Medical Department, the last paragraph will state that the "discharge" was given to connect to the soldier, after a personal examination, and for disability, the nature, degree and extent of which are carefully described in the within certificate.

(See last Memorandum, Edit. 1881.)

Medical attention in giving certificates of disability, and in making particular note in all cases that have not been under special charge, and especially in epilepsy, convulsions, chronic rheumatism, discharges of the urinary organs, ophthalmia, gonorrhea, syphilis, etc. of the urinary organs, shall be signed or countersigned, or any others disease liable to be signed or countersigned; and in no case shall such certificate be issued without other suitable time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, department, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander, or officer to whom the authority is delegated. These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or department commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper statement in duplicate, and forward one of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended, as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable cause for pension, special care must be taken to state the degree of disability—as $\frac{1}{2}$, $\frac{2}{3}$, &c., &c.; to describe particularly the disability, wound or disease, the extent to which it deprives him of the use of any limb or faculty, or affects the health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the certificate in the case, his professional opinion of the cause and extent of the disability. In the case of discharges by Medical Board, the last paragraph will state that the "discharge was given in consent of the soldier, after a personal examination, and for disability, the nature, degree and extent of which are correctly described in the within certificate."—Instructions, Edit. 1861.

Medical officers, in giving certificates of disability, are to pay particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic inflammation, discharges of the urinary organs, opthalmia, &c., or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempts at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander; or officer to whom the authority to discharge troops may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final document in duplicate, and forward one of these certificates to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the independent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment binds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, or the one may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Col. George R. Brown,

Sir,

It becomes my duty to inform you that Jacob Keller acting as First Lieutenant in my company, is not in my judgment a suitable person for that position. He is a German and speaks, reads and understands the English Language very indifferently, so much so, that he frequently misunderstands the commands given him.

He joined the Tenth Regiment of Mo Volunteers under orders; was appointed First Lieutenant in company K of said Regiment commanded by Col George R. Todd and while acting in said Regiment asked for an Commission, which was issued to him as First Lieutenant of company K in said Regiment, bearing date December 11th 1861.

I would therefore pray you to have Lieutenant Jacob Keller ordered back to his command in the Tenth Regiment; and would most respectfully present the name of George H. Brown for a Commission as First Lieutenant in my company, knowing him to be in every way qualified for the position.

I have the honor to be your obt servant,

De Witt C. Brown

FINAL STATEMENT

OF

Simon Keller Prus
1st Lt. 30th Regt of Wisconsin Infy

VOLUNTEERS.

Died July 20 1862

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay due him, and the captain or other commanding officer of the company will certify to the act of the delivery of the duplicate certificate; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and due to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statement, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statement, the clothing received, and all other charges against him or in his favor, so as to complete a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statement from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 31st of the Treasury Department.

NOTE 4.—Charges for loss or damage to clothing, horse equipment, and other miscellaneous charges, should be entered under the heading of "Other Stoppages."

NOTE 5.—Money paid by State, or by the United States, will not be entered on this statement.

NOTE 6.—Amount due the Soldier must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for detached volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statement, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *l. p. &c.*, &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharge, by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

For 1890 Regulations, Edit. 1891.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificates be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with the action ordered thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statement in duplicate, and forward BOTH of these certificates down to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

FINAL STATEMENT

OF

Julius Koller
26th Regt of Missouri Infy.

VOLUNTEERS.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the Bd Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landworn must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of service, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words *as a veteran*, (or *recruit*) as the case may be, should be interlined after the words *mustered into the service of the U. S.* A statement of all the installments of *Veteran* or *Recruit* Bounty RECEIVED by the Soldier must be made on the back of each final statement.

MEDICAL CERTIFICATE.

Major L. E. Komieszski

of the Twenty-sixth (26th) Regiment of Mass. Inf.

having applied for a Certificate on which to ground an application for leave of absence,

I DO HEREBY CERTIFY, that I have carefully examined this officer, and find that he
suffers from an attack of Haemorrhoids, has had
Diarrhoea for a month past,

and that in consequence thereof, he is, in my opinion, unfit for duty. I further declare my belief that
 he will not be able to resume his duties in a less period than twenty days.

I think an opportunity to go north for a short time
will be of much service to him.

Sir

I take the liberty
of addressing you directly, in order to obtain
satisfaction which I cannot get otherwise.

July 16th and again August 9th I made
an application for leave of absence of twenty
days, but to neither of these have I received
an answer. Both have passed approved
through Col. Ricecrans N^o 2^d but, whether
either has reached the War Department, I
know not, and am inclined to believe, that
either my applications, or possibly my furlough
was improperly detained at some intermediate
Office.

Hoping that you will give this matter
 your kind consideration and inform me whether
 my application was received or not and whether
 my furlough was granted; if so I should like
 to obtain it, as my business is very urgent and
 this is the first time that I am asking a
 leave of absence during sixteen months service.

Hon. C. M. Stanton
Secretary of War

Sir!

I hereby very respectfully
make an application for leave of
absence of twenty days, on the following
grounds.

Medical certificate enclosed, will
show that I am unfit for duty.

My business and family affairs are
in a very critical condition, caused by
my long absence.

I have enlisted April 27th 1861 and
commanded a Company in Col S. P. Blair's

1st Regt M^o Vols (mustered into service) leaving my business and care of family to my brother, since then I have not seen them, nor did I ever have a leave of absence, during any part of the time; nearly fifteen months.

In the meantime my brother Edmund M. was commissioned 2^d Lieut in my Regt. left my business in the hands of strangers by agreement, which was all safe and satisfactory, had he lived. But it was my misfortune to lose my brother at Farmington Miss.

The circumstance would cause the loss of what little I possess, unless I am enabled to prevent it, by meeting those who are taking advantage of my absence.

Under the circumstances, that this Army is now inactive, that I am at present unfit for duty, and knowing that the Government would not suffer, one who has devoted himself to his Country, to go to ruin, while it is in their power to prevent it without any detriment to the service, I hope that my application may be granted.

Very Respectfully

Resignation

Cause - ill health

This officer was sent to Hospital
about June 1st and is entirely
unable for duty; from there
he was sent to St Louis; he has
since forwarded medical certificate
from there not formal.
He also forwarded his resignation
about Sept 1st but it not
being formal, it was returned
from there not sent.

His health is entirely broken and
he can not live probably long.
He was strong when he entered
the service & first became weak
from exposure on a march over
harrowing bad roads.

I recommend that he either be
honorably discharged or that his
resignation be accepted.

Sir

I Recd your Communication
Concerning Fredrick Krue.

Said F. Krue was absent some
time before he was discharged &
had with him his Descriptive Roll
and it never has been returned
to the Company. Therefore I cannot
make out his final statements papers
Correct except I get his old
Descriptive Roll or something showing
what he drew from the Government
during his absence. When this is
done I will forward them immedi-
ately. A Soldier is supposed to have
his final statements when discharged.
The Descriptive Roll is to enable him

TO BE GIVEN TO VOLUNTEERS AT THE TIME OF THEIR DISCHARGE TO ENABLE
THEM TO RECEIVE THEIR PAY, &c.

I CERTIFY, on honor, that Fredrick Amel a Private
of Captain W. H. C. Brown's Company (C) of the 26th Regiment of Missouri
Volunteers, of the State of Missouri, born in Franklin County, State
of Missouri, aged 18 years; 5 feet 9 inches high; Slight complexion, Hazel eyes,
Slight hair, and by occupation a Farmer, having joined the company on its original organization
at Saint Louis Mo., and enrolled in it at the muster into the service of the United States
at Benton Barracks, on the Twenty fifth day of November, 1861, (or was
mustered in service as a recruit, by Capt Brown, at Benton Barracks Mo.,
on the 7th day of October, 1861, to serve in the Regiment) for the term
of three years or during the war; and having served honestly and faithfully with
his Company in 26th Regt Mo. Vols., to the present date is now entitled to a discharge by reason
of illness contracted at Charleston Mo. on the 13th day of March 1862.
He was immediately sent to the Hospital at Grand City Mo.
Discharged by Gen. Halleck for disability June 25th 1862.
The said Fredrick Amel was last paid by Paymaster
Master Hamilton to include the 31st day of December, 1861, and has pay due him
from that time to the present date, and also pay for the use of his horse, (having been mounted during the time,)
and he is entitled to pay and subsistence for traveling to place of enrolment and whatever other allowances are
authorized to volunteer soldiers, or militia, so discharged. He has received July One \$1
dollars advanced by the United States on account of clothing.
There is to be stopped from him, on account of the State of Missouri, or other authorities
for clothing, &c., received on entering service, one dollars; also, for expenses of subsistence
for traveling from place of enrolment to the place of rendezvous, amounting to one dollars;
and on account of the United States for extra clothing received in kind from one dollars;
one and for other stoppages, viz: one dollars;
Clothing allowance due from enlistment amounting to Thirty \$30 dollars;
and he has been subsisted for traveling to his place of enrolment, up to the 186
He is indebted to Sutler, one dollars.
GIVEN in duplicate, at Camp Yacoma Creek, this 20th day of Dec, 1862
Capt W. H. C. Brown
Commanding Company.

NOTE.—Two of these certificates, (or duplicates,) are to be given to each volunteer soldier who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other officer commanding the company, will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier, by the Paymaster;—the latter only retaining as his voucher the duplicate certificates.

I hereby certify that I have been attending on Private Frederick Fried,
Comp. Co. 26th Reg. Mo. Vol. since the 1st day of May ult., and find him afflicted
with chronic bronchial Catarrh - a sequel of Pneumonia after
Measles - , with rheumatic pains of the muscles on both
sides of the lumbar vertebral and with a general debility
and prostration of his muscular system, and that
in consequence thereof he is, in my opinion, absolutely
unfit for military service. Of a delicate constitution
he enlisted when he was too young. The fatigues of a cam-
paign and the effects of Measles and subsequent Pneumonia
broke his constitution and a continued or forced
marching, knapsack on back and heavy musket in hand, will
inevitably result in his doom.
